EBSCO Reference Databases Available

Academic Search™ Premier

This scholarly database contains indexing and abstracts for over 8,450 journals, with full text for more than 4,650 of those titles. *Academic Search Premier* contains unmatched full-text coverage in academic subject areas, including biology, chemistry, engineering, ethnic & multicultural studies, mathematics, physics, psychology, religion & theology, women's studies and many other fields. In addition to journal coverage, this database offers access to full-text sources including books & monographs, education reports, conference papers and more.

Business Source® Complete

This is the world's definitive scholarly business database, providing the leading collection of bibliographic and full-text content. *Business Source Complete* contains far more active, peer-reviewed, business related journals than any other database currently available, and journal ranking studies reveal that *Business Source Complete* is the overwhelmingly superior database for full-text journals in all disciplines of business, including marketing, management, MIS, POM, accounting, finance and economics.

Computer Source™

Containing nearly 300 full-text journals and magazines—with a balance of full-text technical journals and full-text consumer computer titles—this resource coverers topics such as computer science, programming, artificial intelligence, cybernetics, information systems, robotics and software.

Consumer Health Complete™

Consumer Health Complete provides content covering all areas of health and wellness, from mainstream medicine to the many perspectives of complementary, holistic and integrated medicine. This full-text database covers topics such as aging, cancer, diabetes, drugs & alcohol, fitness, nutrition & dietetics, children's health, men & women's health, etc.

Information provided in this database should not be viewed as a means for self-diagnosis or a substitute for professional medical advice, diagnosis or treatment.

ERIC®

ERIC, the Education Resource Information Center, provides access to education literature and resources. The database provides access to information from journals included in the *Current Index of Journals in Education* and *Resources in Education Index*. The database contains more than 1,300,000 records and links to more than 317,000 full-text documents from *ERIC*.

History Reference Center®

This comprehensive history reference database features full text for more than 1,600 reference books, encyclopedias and nonfiction books from leading history publishers, as well as full text for more than 150 leading history periodicals. It also includes nearly 57,000 historical documents; more than 77,000 biographies of historical figures; over 113,000 historical photos & maps; and more than 80 hours of historical video.

Literary Reference Center™

This comprehensive database provides users with a broad spectrum of information on thousands of authors and their works across literary disciplines and timeframes, combining information from major respected reference works, books, literary journals and original content.

MasterFILE™ Premier

This database contains full text for nearly 1,700 periodicals covering general reference, business, health, education, general science, multicultural issues and much more. This database also contains full text for nearly 500 reference books and 164,424 primary source documents, as well as an Image Collection of more than 460,000 photos, maps & flags.

MAS Ultra™ — School Edition

This comprehensive database, designed specifically for high school libraries, contains full text for nearly 500 popular high school magazines. All full-text articles are assigned a reading level indicator (Lexiles). Full text is also available for more than 85,600 biographies and more than 105,700 primary source documents. Additionally, *MAS Ultra — School Edition* contains more than 360 reference books and an Image Collection of 460,000 photos, maps & flags.

Middle Search® Plus

Middle Search Plus contains full text for more than 140 popular middle school magazines, as well as full text for thousands of biographies and historical essays. All full-text articles are assigned a reading level indicator (Lexiles). Additionally, *Middle Search Plus* contains primary source documents including *Essential Documents in American History*, reference books including the *Funk & Wagnalls New World Encyclopedia* and *American Heritage® Dictionary*, 4th Edition from Houghton Mifflin, the *Encyclopedia of Animals*™, and an Image Collection of more than 460,000 photos, maps & flags.

(Continued on the reverse side…)

Newspaper Source™

This database provides cover-to-cover full text for 47 national (U.S.) and international newspapers, as well as selective full text for 390 regional (U.S.) newspapers. In addition, full-text television & radio news transcripts are provided.

NoveList®

NoveList, a readers' advisory service, not only provides access to 155,000 fiction titles, but it also offers a wide range of feature content that serves fiction readers of all ages, including author read-alikes, book discussion guides, reading lists and more.

Primary Search®

Designed specifically for elementary school libraries, this database contains full text for more than 70 popular elementary school magazines. All full-text articles are assigned a reading level indicator (Lexiles). In addition, *Primary Search* includes the *Encyclopedia of Animals*™, and features *Funk & Wagnalls New World Encyclopedia*, providing students with easy-to-read encyclopedic entries written specifically for kids. The database also includes the *American Heritage® Children's Dictionary*, 3rd Edition from Houghton Mifflin, and an extensive Image Collection.

The American Heritage® Children's Dictionary by the Editors of the *American Heritage® Dictionaries*, published by Houghton Mifflin Company. All rights reserved.

Professional Development Collection™

This is the most comprehensive and most valuable collection of full-text education journals in the world. The *Professional Development Collection*™ includes full text for nearly 520 high quality education journals, and also contains more than 200 educational reports.

Psychology & Behavioral Sciences Collection™

This comprehensive database covers information concerning topics in emotional and behavioral characteristics, psychiatry & psychology, mental processes, anthropology, and observational & experimental methods.

Regional Business News™

Regional Business News provides full text for more than 80 regional business publications (including titles from Crain Communications).

TOPICsearch™

This current events database allows researchers to explore social, political & economic issues, scientific discoveries and other popular topics discussed in today's classrooms, including controversial opinions and viewpoints. *TOPICsearch* contains full text for over 60,000 articles from 399 diverse sources, including international and regional newspapers, EBSCO's unparalleled collection of periodicals, biographies, public opinion polls, book reviews, pamphlets and government information.

Vocational & Career Collection™

This database is designed to meet a wide variety of vocational and technical research needs, and provides full-text coverage for nearly 340 trade and industry-related periodicals.
