Ensure student and educator success with EBSCO’s new interface for schools and public libraries. Designed to meet the unique needs of its users, Explora™ supports both student research and classroom instruction with the following features:

- Simple search that quickly delivers relevant results including articles, essays, and primary source documents
- Easy-to-browse categories organized by popular topic
- Topic overviews that provide students with a starting point for research
- Colorful, mobile-friendly design with feature areas that provide context to students
- Reading level indicators (Lexile® Measures) to simplify discovery of grade-appropriate content
- Text-to-speech for HTML articles to assist struggling readers or those learning English
- Curriculum Standards Module to help educators correlate EBSCO content quickly and easily to Common Core, state- or province-specific curriculum standards

**Additional features coming to Explora in 2015:**

- Top videos from the Associated Press, the world’s leading news agency
- Educators’ landing page where teachers can easily find relevant support materials
- Segmented results list where relevant results are grouped by source type
