

Bibliography of Native North Americans

Database Coverage List

"Core" coverage refers to sources which are indexed and abstracted in their entirety (i.e. cover to cover), while "priority" coverage refers to sources which include only those articles which are relevant to the field.

*Titles with 'Coming Soon' in the Availability column indicate that this publication was recently added to the database and therefore few or no articles are currently available.

This title list does not represent the Select content found in this database. The Select content is chosen from thousands of titles containing articles that are relevant to this subject.

Please Note:

Publications included on this database are subject to change without notice due to contractual agreements with publishers. Coverage dates shown are the intended dates only and may not yet match those on the product. All coverage is cumulative.
