

# Library, Information Science & Technology Abstracts (LISTA)

## Database Coverage List

"Core" coverage refers to sources which are indexed and abstracted in their entirety (i.e. cover to cover); "Priority" coverage refers to sources with a substantial volume of materials relevant to the field, while "Selective" coverage refers to sources with an occasional volume of material relevant to the field.

This title list does not represent all the Selective content found in this database. The Selective content is chosen from thousands of titles containing articles that are relevant to this subject.

\*Titles with 'Coming Soon' in the Availability column indicate that this publication was recently added to the database and therefore few or no articles are currently available

**Please Note:**

Publications included on this database are subject to change without notice due to contractual agreements with publishers. Coverage dates shown are the intended dates only and may not yet match those on the product. All coverage is cumulative.
