

Take Nursing Reference Center™

Powered by EBSCOhost®

Everywhere You Go

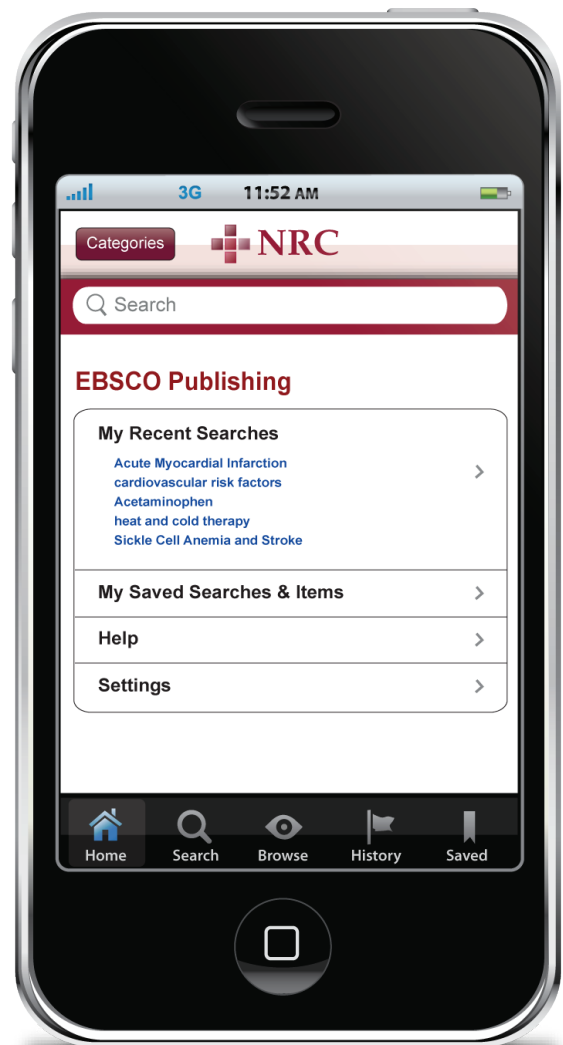

The new *Nursing Reference Center* iPhone® and iPod touch® app is a comprehensive reference tool designed to provide relevant clinical resources to nurses, directly at the point-of-care. This free app is

available for staff nurses, nurse administrators, nursing students, nursing faculty and hospital librarians with an institutional subscription to NRC. It offers the best available and most recent clinical evidence from thousands of full-text documents.

The *Nursing Reference Center* iPhone App Gives You Access To:

- NRC content offline
- Clinically organized quick lessons
- Evidence-based care sheets
- Point-of-care drug information
- Nursing Practice & Skills
- Skill Competency Checklists
- Automatically saved 25 most recent searches

See reverse side for
more information

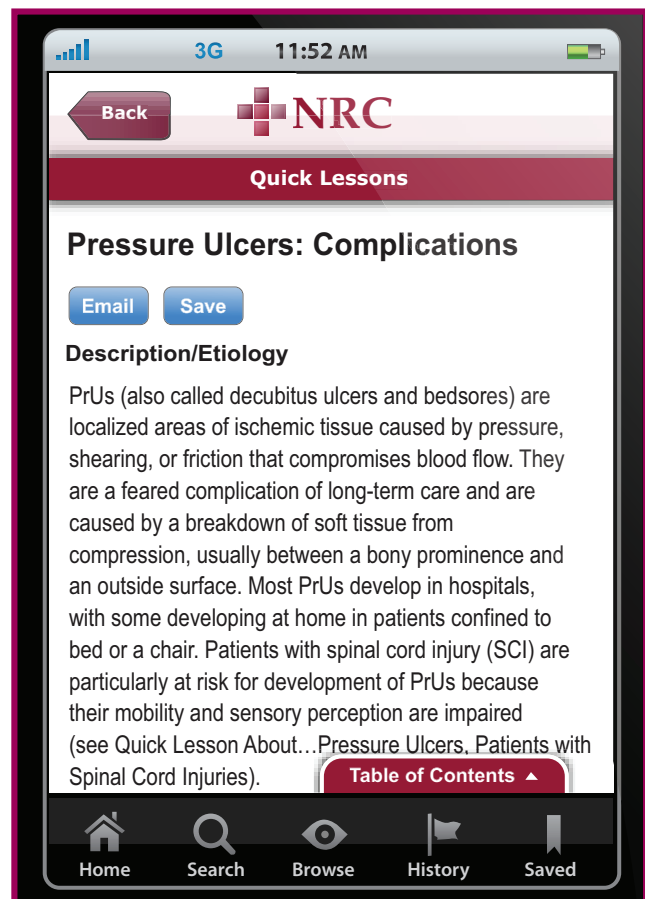

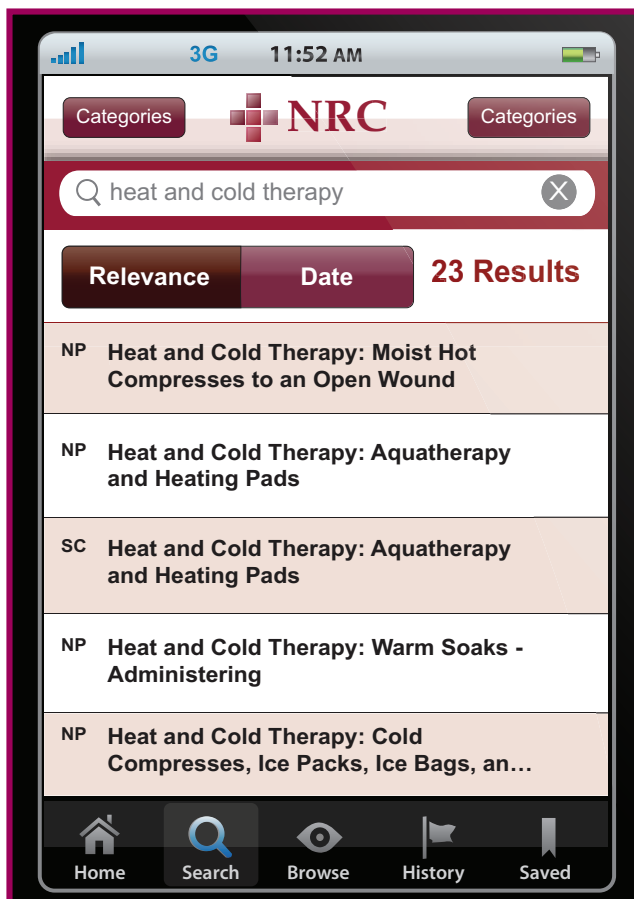

Download & Authenticate

The *Nursing Reference Center* iPhone/iPod touch app is available as a free download from the iTunes App store.

To use the NRC app, you must obtain an access key. Access NRC online through your institution as you typically would and click the link at the bottom of the page to email yourself the key.
