

The first true point-of-care resource for nurses,  
now available for our nursing staff

The screenshot shows the Nursing Reference Center website. At the top left is the logo and name 'Nursing Reference Center Powered by EBSCOhost'. On the right, there are links for 'Sign In', 'Folder', 'Preferences', 'Send Feedback', 'Help', and 'Exit'. Below the logo are navigation tabs: 'Basic Search', 'Diseases & Conditions', 'Skills & Procedures', 'Drug Information', 'Patient Education', 'Practice Resources', and 'Continuing Education'. A search bar is present with a 'Find:' label, a search button, and a 'Clear' button. Below the search bar are checkboxes for 'Assessment', 'Diagnosis', 'Planning', 'Implementation', and 'Evaluation'. The main content area is divided into three sections: 'Spotlight' with 'Key Features' listing various resources like 'Nutrition Evidence-based Care Sheets' and 'Continuing Education Modules'; 'Nursing News' with a list of recent articles and a 'More News' link; and 'Search Other Services' with logos for 'ANA American Nurses Association', 'DynaMed', 'Rehabilitation Reference Center', and 'PERC'. A 'Top of Page' link is at the bottom left of the screenshot.
