Thousands of libraries worldwide depend on the *EBSCO Journal Expediting Service (JETS)* to handle many of the tasks associated with delivery of print issues — check in, claiming, reporting, and more. With JETS, journals are ready for the shelves when they arrive at your library.

**JETS can help you …**

**Simplify management tasks**  
View delivery details via our comprehensive Web-based management service — *EBSCONET*® Subscription Management

**Spend less time on check-ins**  
Title information can be exported to your integrated library system (ILS)

**Customize your service**  
Deliveries can be made at a frequency you choose: weekly, biweekly, or monthly

**Tailor journals to your library’s needs**  
A wide range of highly customizable features are available — tattle taping, call-number labels, journal routing, electronic packing slips (EPS), property stamps, and more

**Receive non-domestic issues faster**  
*JETS* has 10 locations around the world, so you will receive your journals quickly
How JETS Works for You

With JETS, handling print journals is as easy as 1, 2, 3!

1 Select the journals you need
2 Let EBSCO handle check-ins and process claims with publishers
3 Unpack your shipment, and place journals directly on your shelves

Traditional Print Serials Tasks
Using JETS can eliminate a lot of the work associated with handling your print serials
