America: History & Life with Full Text

Database Coverage List

"Core" coverage refers to sources which are indexed and abstracted in their entirety (i.e., cover to cover). "Priority" coverage refers to sources with a substantial volume of materials relevant to the field; while "Selective" coverage refers to sources with an occasional volume of material relevant to the field.

This list does not represent all of the Selective content found in this database. The Selective content is chosen from thousands of titles containing articles that are relevant to this subject.

*Titles with 'Coming Soon' in the Availability column indicate that this publication was recently added to the database and that the contents may not be available immediately. Please check the database for updates.*

Please Note:
Publications included on this database are subject to change without notice due to contractual agreements with publishers. Coverage dates shown are the intended dates only and may not yet match those on the product. EBSCO Information Services is dependent on publisher publication schedules and embargo periods in order to produce full text on its products.
