125 = Total number of periodicals indexed and abstracted
105 = Total number of periodicals in full text

*Titles with 'Coming Soon' in the Availability column indicate that this publication was recently added to the database and therefore few or no articles are currently available. If the ‡ symbol is present, it indicates that 10% or more of the articles from publisher is not the rights holder.

Please Note:

Publications included on this database are subject to change without notice due to contractual agreements with publishers. Coverage dates shown are the intended dates only and may not yet match those on the product. The numbers given at the coverage is cumulative. Due to third party ownership of full text, EBSCO Information Services is dependent on publisher publication schedules (and in some cases embargo periods) in order to produce full text on its products.

Primary Search Periodicals Only

5 = Total number of periodicals indexed and abstracted
5 = Total number of periodicals in full text

Titles with 'Coming Soon' in the Availability column indicate that this publication was recently added to the database and therefore few or no articles are currently available. If the ‡ symbol is present, it indicates that 10% or more of the articles from this publication may not contain full text because the publisher is not the rights holder.

Please Note:

Publications included on this database are subject to change without notice due to contractual agreements with publishers. Coverage dates shown are the intended dates only and may not yet match those on the product. The numbers given at the top of this list reflect all titles, active and ceased. All coverage is cumulative. Due to third party ownership of full text, EBSCO Information Services is dependent on publisher publication schedules (and in some cases embargo periods) in order to produce full text on its products.
