

# TARGET YOUR SEARCH WITH APPEALS

So many books... how do you narrow it down? Appeal factors can help. Are you looking for funny fairy tales? Or picture books with big and bold drawings? Appeals are a signature feature of NovelList -- they help match readers with books they love. Here is an example of how to use appeals to narrow down the world of possibilities.

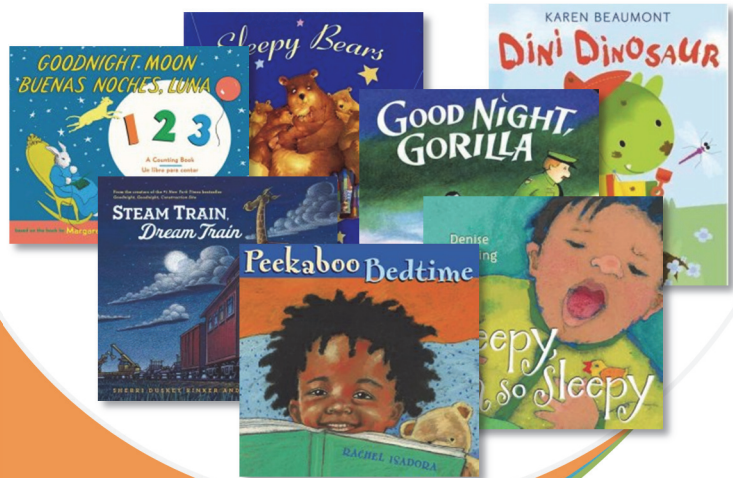

21,000+ picture books

688 are about bedtime

58 of those are feel-good

13 of them are colorful

*Your targeted reading list*  
13 colorful picture books about bedtime that are feel-good.
