more via our secret formula

Favorite things

Find books based on readers' favorite things.

GENRES
We're on top of reading trends, tagging books with over **500** genres -- from "new adults" to "highland romances" to "travel writing."

SUBJECTS
We use over **200,000** unique subject headings to describe what books are about.

APPEALS
More than **130,000** books are already tagged with appeal terms that describe the mood (or "feel") of the reading experience.

CHARACTERS
Yes, we can help you find books about "sarcastic teenage cheerleaders." Just search by name, ethnicity, nationality, age, or occupation.

TIME PERIODS
Have a favorite historical period? Narrow down your results by decade, century, era, or historical event.

LOCATIONS
Want a book set in that town you just visited? Search by specific place, country, state, province, or city. Imaginary places included.
